IL MIO AMICO *James*

Un fotografo di punta della leggendaria agenzia Magnum conosce a una festa un giovane attore sconosciuto. Che nel giro di una notte, e di un film, diventa mito. Da quell'incontro nasce una straordinaria biografia per immagini (queste) e un'amicizia che ora arriva al cinema. Quell'attore si chiamava JAMES DEAN. Quel fotografo racconta qui, con i suoi scatti e con le sue parole

di DENNIS STOCK

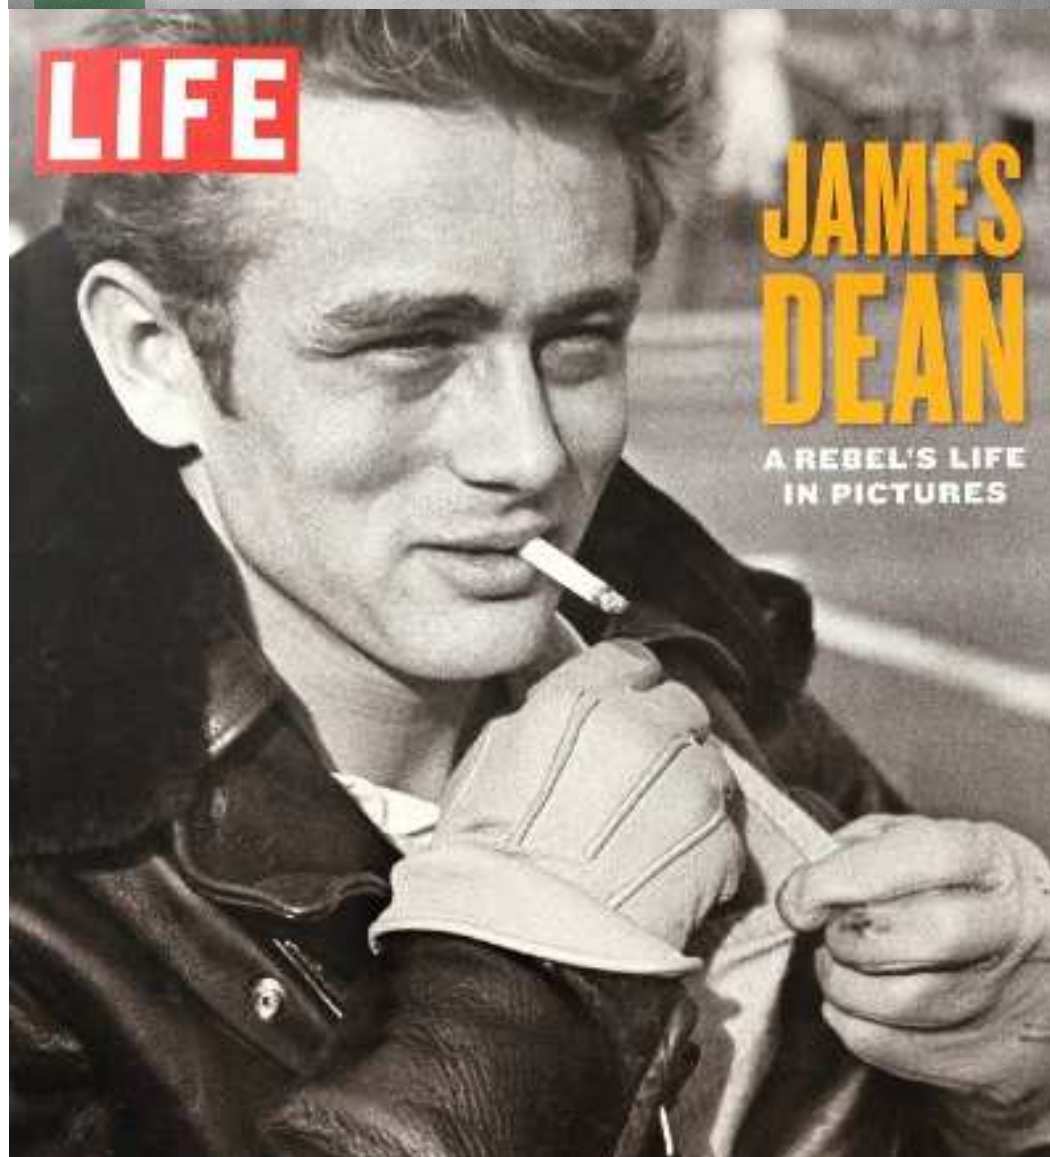

IL GIGANTE
James Dean nel 1955: il 30 settembre morì in un incidente mentre si recava a una festa. Aveva 24 anni. L'8 ottobre esce Life, che racconta il reportage realizzato pochi mesi prima della sua morte da Dennis Stock per il celebre magazine.
